

Please Note: The following names and affiliations of attendees were transcribed from the hand written information provided by attendees on sign-in sheets at each of the public meetings. We apologize if in the transcription process the names/organizations were miss-spelled. If individuals wish to have this information corrected, please send a note to the webmaster at ostseiswebmaster@anl.gov requesting the correction be made. The sign-in sheets were also used to allow individuals to request to be placed on the project e-mail list and if you have not yet received notification that you have been added to the list, please send the webmaster a note to that effect since we may have had difficulty transcribing the written information provided. Thank you for your understanding.
